8:25-9:10 Alpha **(Arabic 3/4)**

Students use Arabic- English dictionaries and the accompanying worksheet to look up and check adjectives that they found over the weekend. Dictionaries in classroom

10:05- 10:50 Gamma **(Arabic 3/4)**

Students use Arabic- English dictionaries and the accompanying worksheet to look up and check adjectives that they found over the weekend. Dictionaries in classroom

12:05-12:50 Epsilon **(History of Jerusalem)**

Students have created a list of terms from the 'August' chapter of their book. In class students should use the class summaries and their notes to make a master list of all the terms we have covered so far. Each student needs to have a master list.

HW: Study the terms and definitions- quiz on Thursday

12:55-1:35 Lunch **(Model UN in 205a)**

Conor Moore will run the meeting but the students need to be supervised.

1:40-2:25 Zeta **(Arabic 1)**

This weekend was the major Muslim holiday know as eid al-adha. It corresponds with the end of the Hajj. Students will watch a documentary about the Hajj.
